Since 1952: a tradition of artisanal pasta, fresh and filled, and as deliciou

s as the homemade kind. A journey of quality and taste that started out with a whis per eventually led Pasta & Company to the present day: a hundred different shape s and fillings, daily production and careful attention as well as a range of flavours, in gredients and textures to satisfy the final customer. In a hectic world overflowing $\ensuremath{\mathsf{w}}$ ith thousands of daily commitments, a fresh pasta dish from Pasta * Company help s to rediscover the pleasure of good food and merriment, if only for a few stolen m oments. In fact, fresh stuffed pasta serves as an optimal solution for a meal rich in flavour and nutrients that satisfies the palate while providing a special moment for yourself and your loved one to enjoy. With its clever combination of artisanal proce ssing and genuine ingredients, including new and refined fillings, Pasta & Company offers the simplicity of cooking a tasty meal that is both genuine and suited to nece ssities imposed by an increasingly frenetic lifestyle. Pasta & Company offers you th e opportunity to rediscover the balance handed down from peasant communities past, where product freshness and genuineness were also guaranteed at table wh ere everyone communed to enjoy a few moments together in simplicity. The recipe s are designed to eliminate problems in meal preparation while offering quality, tas te and pleasure be it last minute dinner guests, a packed lunch for the office, meals for the following day, family lunches or Sunday lunches. It only takes a few minutes: a flavouring from one suggested by Pasta & Company and you?re done. Give our re cipes a try: we couldn't possibly list all of them here but do contact us for an email presentation of our products and the various ways to cook and eat them.
